

MOOD BOARD TEMPLATE

Collect images, colors, and materials that capture the feeling of your dream space. Paste, sketch, or describe in each area below.

INSPIRATION IMAGES

Paste or sketch images of rooms, buildings, landscapes, or scenes that evoke the mood you want. Aim for 4 to 6 images that feel right.

COLOR PALETTE

Fill or color in the swatches below with the dominant colors you see across your inspiration images. Name each color if you can.

MATERIALS & TEXTURES

Paste samples, sketch textures, or write the name of materials you love — wood, stone, concrete, glass, metal, fabric, leather, ceramic.

OVERALL FEELING

Step back and look at your board as a whole. In a few sentences, describe the mood your board communicates. Does it feel like the space you envisioned?

TIPS FOR A STRONG MOOD BOARD

Aim for 10-20 images total. Look for patterns in what you collected. Include some contrast for energy. Trust your gut — if you are drawn to something, include it.
